

Pray & Go Do's & Don'ts

DO

- Do Walk.** *As you go, use sidewalks & driveways. Don't walk through yards.*
- Do Pray.** Your prayer will be repeated and brief, but it will matter. You could simply pray, "God, please open up doors so that Jesus will become the center of this home."
- Do Have Fun.** Enjoy your time in the field. Let the joy of serving the Lord, doing the great commission fill you as you pray & go.
- Do record.** As you pray, be sure to mark the house number in the notes so we can keep track of what parts of the 62233 we've prayed for. (The App: SWAPP)

DON'T

- Don't knock.** At no point, knock or ring the doorbell.
- Don't talk.** Pray & Go is designed for prayer, not to spend a lot of time talking to people, but at the same time, don't be rude. In reality, someone may come up and speak to you and ask you what you're doing? Let them know that you're helping CFBC be a blessing to The 62233 by praying for our community. (Hand them a doorhanger if they will accept it.)
- Don't go alone.** *Always walk in pairs: One on each side of the street. (Safety & accountability.)*
- Don't stop.** Don't stop in front of a house and pray or talk. Keep moving. Your prayer is brief. Pray as you walk in front of the house, pray as you place the doorhanger.
- Don't go near kids, pets, or NO TRESPASSING signs.** If there are kids or pets visible, do not place the doorhanger. Pray for the house, but keep walking to the next house.
