

CFBC'S THROUGH OUR EYES - EP. 5

NEW BEGINNINGS

It's been quite a while since the last blog post. Our blog was made just to share stories and experiences with other people in different stages of life than us. Since the blog has not appeared in some time, I realize it's a new beginning! I had this thought this week and realized that God has given everyone a new beginning. God has been doing this since He stepped out of eternity and infinity and made the universe, animals, and human beings. That's pretty cool! God didn't only make a beginning for humanity, but He also made an end. As Christians, we are excitedly anticipating the coming of our Groom, Jesus. What have we learned? God created everything. What does this mean for us? God has so graciously allowed us to be a part of His creation. How should we live knowing this? Everything we do should be to bring glory unto the righteous and holy name of God.

I know that this isn't a usual blog post, but to be honest with you I wrote this simply because Genesis 1 has blown my mind this week. I hope we can all be amazed by how good, great, and gracious our God is. If you haven't read Genesis 1 lately, I highly recommend you do!

Ridge's Favorite Verses in Genesis 1

Genesis 1:1 In the beginning God created the heavens and the earth. Here, God created time and matter.

Genesis 1:26 Then God said, "Let Us make mankind in Our image, according to Our likeness; and let them rule over the fish of the sea and over the birds of the sky and over the livestock and over all the earth, and over every crawling thing that crawls on the earth." - I love the first five words of this verse! When God says "Us" we can see the trinity: Father, Son, and Holy Spirit.
