

FAITH-FUELED GROWTH: NAVIGATING LIFE'S JOURNEY

CFBC's Through Our Eyes Ep. 6

Life's journey never ceases to amaze me. No matter what obstacles we encounter, life goes on relentlessly. If you're reading this, you've pushed through **ALL** of your toughest days. Life marches on, and each day we grow older until the Lord calls us home. But amidst life's unyielding march, we can hold the power to choose growth.

When I talk about growth, I mean it in every sense: wisdom, work ethic, accountability, financial stewardship, and even maturing in life. Yet, the most vital growth we can pursue is in our faith in Christ. Why do I emphasize this?

- Wisdom (Proverbs 2)
- Work Ethic (Proverbs 14:23 & Genesis 2:15 (Pre-Fall))
- Accountability (Romans 14:12)
- Financial Maturity (James 4:13-14)
- Maturity (Ephesians 4:13)

Growing our faith in Christ will result in our life being more well-rounded. Christ levels the playing field. Christ is the conqueror and Savior in our lives and if we trust in Him, we can begin uncovering the keys to life. The Word of God is full of virtues that as Christians we must strive to obtain. Nobody's life is perfect (besides Jesus), but life without Christ is meaningless and hardly worth living (Ephesians 2:1-10).
