

Invisible Realm Ep. 9

DAY THREE

5 DAY DEVOTIONALS

MAY 12TH - 16TH

Luke 13:12 (NLT)

When Jesus saw her, he called her over and said, "Dear woman, you are healed of your sickness!"

Devotion

A woman was crippled by a spirit for 18 years. Jesus didn't say, "Be healed." He said, "You are set free." She was a daughter of Abraham, a believer. Jesus saw what no one else did—a demon was the cause of her physical condition. She didn't even know. He called her forward and set her free. The spirit had no problem with her going to church—it just didn't want her set free.

Reflection

Is it possible you've been attending faithfully but haven't realized there's still something Jesus wants to free you from?
