We are so looking forward to the youth mission trip coming up this summer with you all! As we begin to focus on the preparation that needs to take place between now and then, we will have an attendance policy for everyone who is signed up to attend the trip. This policy is going to go into effect starting March 15th. **Between March 15th and April 26th, all students who are signed up for the trip must attend four weekend services (Sat. at 5 pm or Sun. at 10:30 am). Students must also attend three youth groups on Sundays at 6 pm between the dates March 15th and April 26th.** Students are still expected to meet these requirements in May, June, and July.

Why is this a requirement? By the church covering the cost of the trip, they are investing in our group and in you! Therefore, we must take the preparation seriously, and church attendance is where it starts. If students fail to meet these requirements, they will not be allowed to attend the Mission Trip this summer.

Excused absences will be given on a need-by-need basis; if you and your parents are out of town, of course, that is excused. Are you genuinely sick (like you wouldn't go to school)? This would also be an excused absence. Do you have a vacation during these months? That's excused as well. Please let us know if you have any questions about this attendance policy by calling or texting the number below. Thanks!

Sincerely,

Ridge & Montana
